

## Worry and experience of harm from everyday risks

People in Greece are most worried about wildfires (94%) and road and traffic accidents (92%) causing them serious harm, the two highest levels of concern among the ten risks asked about. Across all ten, worry in Greece runs higher than the global average. Concern far outstrips lived experience, however: while 94% worry about wildfires, only 12% have actually been harmed by it in the past two years. The harm most commonly experienced in Greece is prolonged severe weather (25%). The gap between worry and experience is widest for wildfires, where 94% are worried but 12% have actually been affected.

## Top of mind risk to safety

Asked to name the single greatest risk to their daily safety, people in Greece most often point to road and transport accidents (28%), above the global figure of 15%. Crime and violence ranks second (17%), followed by the economy and personal finances (12%).

Risks which ranked below 2% of the global average are aggregated into this 'Other risks' category.
